

Rail Central: Consultation announced

Section 47(6) Planning Act 2008

NOTICE OF DEPOSIT – STATEMENT OF COMMUNITY CONSULTATION

Rail Central is a proposed new strategic rail freight interchange in Northamptonshire. The site is located where the West Coast mainline meets the Northampton Loop Line to the south west of Northampton and between the villages of Blisworth and Milton Malsor.

Ashfield Land (the Applicant) has placed on deposit for inspection (free of charge) at the locations listed below a Statement of Community Consultation (SoCC). This is for Rail Central, a new strategic rail freight interchange (the Project). The SoCC explains how the Applicant will consult on the Project with the local community, residents, businesses and organisations in the area.

As the Project is a Nationally Significant Infrastructure Project, the Applicant will apply to the Planning Inspectorate for a Development Consent Order under the requirements of the Planning Act 2008. The Applicant is required to consult with local communities before the application is submitted

to the Planning Inspectorate. The Applicant is also required to produce a Consultation Report detailing how the public's views have been taken into consideration and how the consultation requirements of the Planning Act 2008 have been complied with.

The Project is an Environmental Impact Assessment (EIA) development and so the Applicant will prepare an Environmental Statement to accompany the application to the Planning Inspectorate. Preliminary Environmental Information will be made available for people to inspect at the locations listed below, as well as at www.railcentral.com

The SOCC can be viewed at:

Public exhibitions

Starting this April, we will be inviting the local community to take part in the formal pre-application consultation process so that people can find out more about the project, view the plans, input to the proposals, and register comments and opinions.

Feedback received will help to inform the application for the project to be submitted to the Planning Inspectorate. This consultation programme has been developed in discussion with Northampton Borough Council, Northamptonshire County Council and South Northamptonshire Council.

We will be holding a number of public exhibitions so that people can find out more, view the plans, and register comments and opinions. Information will also be available on our website and at the locations specified above. **The dates for the exhibitions are:**

Have your say

We have set up a number of ways to help ensure local communities and other interested parties can provide feedback. This includes:

- **Project website:** the project website (www.railcentral.com) includes the latest project information, updates and core documents as detailed above. An online feedback system is available on the website.
- **Project email address:** the project email address (railcentral@camargue.uk) is monitored regularly and can be used to request further information, ask questions or submit feedback.
- **Freepost:** the dedicated project freepost address (Freepost Rail Central) can be used to request further information, ask questions or submit feedback.

- **Project telephone line:** the project telephone line (0845 543 8967) can be used for general enquiries relating to the consultation. Local residents and other interested parties can request information by telephoning the project telephone line. However, it is not possible to provide feedback through the consultation line.

The deadline for all feedback during this phase of the consultation is Friday 30 September 2016. Any feedback received after this date may not be included.

All feedback provided during the consultation will be considered. The Consultation Report will detail the **consultation** carried out, summarise the feedback received and demonstrate how Ashfield Land has had regard to feedback

Following the consultation, the plans will be finalised and an application is expected to be submitted to the Planning Inspectorate in 2017.
